Title 3—THE PRESIDENT

Executive Order 11375

AMENDING EXECUTIVE ORDER NO 11246, RELATING TO EQUAL EMPLOYMENT OPPORTUNITY

It is the policy of the United States Government to provide equal opportunity in Federal employment and in employment by Federal contractors on the basis of merit and without discrimination because of race, color, religion, sex or national origin.

The Congress, by enacting Title VII of the Civil Rights Act of 1964, enunciated a national policy of equal employment opportunity in private employment, without discrimination because of race, color, religion, sex or national origin.

Executive Order No. 11246¹ of September 24, 1965, carried forward a program of equal employment opportunity in Government employment, employment by Federal contractors and subcontractors and employment under Federally assisted construction contracts regardless of race, creed, color or national origin.

It is desirable that the equal employment opportunity programs provided for in Executive Order No. 11246 expressly embrace discrimination on account of sex.

NOW, THEREFORE, by virtue of the authority vested in me as President of the United States by the Constitution and statutes of the United States, it is ordered that Executive Order No. 11246 of September 24, 1965, be amended as follows:

(1) Section 101 of Part I, concerning nondiscrimination in Government employment, is revised to read as follows:

"Sec. 101. It is the policy of the Government of the United States to provide equal opportunity in Federal employment for all qualified persons, to prohibit discrimination in employment because of race, color, religion, sex or national origin, and to promote the full realization of equal employment opportunity through a positive, continuing program in each executive department and agency. The policy of equal opportunity applies to every aspect of Federal employment policy and practice."

(2) Section 104 of Part I is revised to read as follows:

"Sec. 104. The Civil Service Commission shall provide for the prompt, fair, and impartial consideration of all complaints of discrimination in Federal employment on the basis of race, color, religion, sex or national origin. Procedures for the consideration of complaints shall include at least one impartial review within the executive department or agency and shall provide for appeal to the Civil Service Commission."

(3) Paragraphs (1) and (2) of the quoted required contract provisions in section 202 of Part II, concerning nondiscrimination in employment by Government contractors and subcontractors, are revised to read as follows:

¹ 30 F.R. 12319; 3 CFR, 1964-1965 Comp., p. 339.

"(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

"(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin." (4) Section 203 (d) of Part II is revised to read as follows:

"(d) The contracting agency or the Secretary of Labor may direct that any bidder or prospective contractor or subcontractor shall submit, as part of his Compliance Report, a statement in writing, signed by an authorized officer or agent on behalf of any labor union or any agency referring workers or providing or supervising apprenticeship or other training, with which the bidder or prospective contractor deals, with supporting information, to the effect that the signer's practices and policies do not discriminate on the grounds of race, color, religion, sex or national origin, and that the signer either will affirmatively cooperate in the implementation of the policy and provisions of this order or that it consents and agrees that recruitment, employment, and the terms and conditions of employment under the proposed contract shall be in accordance with the purposes and provisions of the order. In the event that the union, or the agency shall refuse to execute such a statement, the Compliance Report shall so certify and set forth what efforts have been made to secure such a statement and such additional factual material as the contracting agency or the Secretary of Labor may require."

The amendments to Part I shall be effective 30 days after the date of this order. The amendments to Part II shall be effective one year after the date of this order.
